For more information: www.schladming-dachstein.at/hiking

Due to agricultural or forestry operations (parts of) trails may be closed, diverted or affected otherwise even during high season as land owners, such as farmers and lumberjacks of course need to cultivate their land also during the summer months. Moreover, their work is an important contribution to the preservation of the natural and cultural landscape.

In terms of the good cooperation with the land owners, farmers and lumberjacks we ask for your understanding and respect for the necessary work!

Nature and Us.

When we're out in the countryside, we are never alone!

n summer and winter alike, the animals in our mountains need certain quiet zones – to raise their offspring on the one hand, and to save their strength on the other. Which is why it is so vital that you always stay on the marked paths! And please also help us to keep our environment clean. If you take a drinks bottle or sandwich bag with you out on the trail, please don't leave it out in nature. Many of the materials used, require decades if not millennia in order to completey degrade. And of course, they also represent a danger for animals and for the groundwater.

4:15 h	<→ 12.9 km	$\uparrow \downarrow 630 hm$	■ moderat

Starting point: Gasthof Leitner
This hike begins with a climb that is quite challenging. Over the Ritzenberg, uphill along forest paths and forestry lanes, before following the Stubegggraben to the Stubeggsattel. A beautiful place to stop and rest, including the Grasslherrgott Chapel and views that extend all the way to the Dachstein, more than ample reward for all the effort that went into the hike up.

Planner-Almaweg Irdning-Donnersbachtal			◊ C2	
			Donnersbach	
\bigcirc 4:30 h \rightarrow 12.9 km $\uparrow \downarrow$ 960 hm			■ moderate	
Starting point: Gas	Starting point: Gasthof Leitner			

This hike is as beautiful as it is long. It takes you through the Donnersbachklamm, via Furrach and the old Planner Road, to the Schrabachalm. Once there, you will have more than earned the delicious local specialties they have on their menu, before continuing your hike along the Kasweg to the Planneralm. You will need to organize a ride for your return.

Mölbegg Irdning-Donnersbachtal	Donnersbach – Wölzer Taue	
		■ moderate

Setting out from the highest farm in Donnersbach, you will quickly leave

the tree line far behind, clambering uphill over exposed roots and rocks. You will also pass a small tarn and countless alpine flowers, before a steep climb finally leads to the summit and you are treated to an exceptional panorama encompassing the Grimming and more.

Buchmar	ınlehen 😭		◊ C4
Irdning-Doni	nersbachtal	Altii	dning, Bleiberg
	← 11.0 km	↑ ↓ 390 hm	easy

Starting point: Altirdning chapel
The Buchmannlehen is a small area of alpine pastures in an absolutely magical location: From Altirdning, you will hike via narrow lanes, forest and meadows to the top of the Oberer Bleiberg. This is followed by a somewhat steeper climb via forestry roads to the Buchmannlehen. Gazing out at the Grimming,, you can enjoy the mountain air and magnificent scenery.

5 Summits tour — Irdning-Donnersbachtal			Ø c
		Donnersbachwald – Wölzer Ta	
		$\uparrow \downarrow 740 / 1,340 hm$	■ moderat

Starting point: Riesneralm middle station

This extraordinary tour leads you to high pastures, alpine peaks, cirques, blueberries and places of extraordinary silence: Finsterkarspitz, Grosses Bärneck, Silberkarspitz, Sonntagskarspitz and Schwarzkarspitz – 5 peaks, interconnected by hiking paths and mountain trails, just waiting for you. During your hike down, you will more than have earned those hearty snacks served at the Mörsbachalm.

Glattjoch Q D			
Irdning-Donn	ersbachtal	Donnersbachwald	– Wölzer Tauern
⊙ 6:30 h	<=→ 17.7 km	† ↓ 960 hm	■ moderate

Starting point: Hinterwald car park

This hike leads you via old paths once trodden by salt workers and pilgrims.

Via the Riedler- and Beireutalm, you will hike to the Obere Glattalm.

Following a narrow trail, you will come to the historically important Glattjoch. Unique in Central Europe, this chapel dates back to the Middle Ages and is the highest chapel in Styria.
